Dear Mr Hawkins

Thank you very much for your organisation's donation towards our End of Year Presentation Night. Please find your receipt attached.

An award was presented on behalf of Council to our Champion for the Environment during our presentation day on 8th December. At the end of a challenging school year we were excited to be able to celebrate our student achievements at Currabubula Public School, although without the usual public gathering due to restrictions.

We appreciate your ongoing support of our little school and wish you all a Merry Christmas and Happy New year.

Kind regards

James Steele
Principal
